

As part of the celebrations we are delighted to share our much-loved gardens with friends and neighbours. All gardens are accessible; please be aware of hazards such as steps, narrow or gravel paths, uneven ground, deep water.

As some gardens have livestock, we would appreciate if you would leave your dog at home.

Parking is available on the community field, and at Mount Pleasant and Herne Hill. Other properties may have space but please check before.

For further information contact Theresa on 07989 888531 or theresa.hardy15@btinternet.com

1 Mount Pleasant Farm (Judi Fossett) Grass areas and orchard surround an enclosed area including a walled vegetable garden with fruit cage and greenhouse, rose garden, herbaceous borders and knot garden. Parking available.

2 The Brambles (Philip & Jo Burroughes) A relaxed, informal country garden with shepherd's hut overlooking an orchard, rose beds and sculptural items. Bygone implements on display including a Norfolk miller's wagon and other horse-drawn vehicles.

3 The Laurels (Dave & Jan Fendell) One acre plot mainly laid to lawn with ornamental and various fruit trees. Large pond, and boasts a 100 year old oak tree. Fenced veggie plot and fruit cage.

4 Greenways (Theresa Hardy & John Dawkins) Winding paths through cottage garden borders. Lots of pots and places to sit. Formal fish pond, bantams, pet sheep, Amazon parrot. Plant stall, homemade ice cream.

5 Tudor Oak (Chris & Paula Hall) A newly planted garden that has been designed with a contemporary cottage feel. With a newly completed potager and a natural ornamental pond now finished there is still much more to be done!

6 Burfields (Stephen, Wendy & Pete Burroughes) A two acre plot of less formal planting. Garden is to grass with many trees and shrubs, and patio with containers and pond. Beyond the garden is an orchard, meadow and small woodland. Chickens, bees and woodland trail for children.

7 Packway Farm (David & Fiona Sanderson) Newly landscaped and planted garden with an orchard, vegetable garden, pond, meadow and open views.

8 Bridge Farm (Graham & Veronica Downing) Where garden meets farm. Secret herb garden, a well garden for sitting in the sun, kitchen garden with raised beds, greenhouses, roses, perennial beds and wild flower meadow. Growing lambs, black labradors, chickens, plus plenty of garden birds. Cat croquet for small children. Additional farm trail.

9 Hedgerows (John & Katie Headley) Recently landscaped terraced garden aiming to provide interest all year round. Small natural pond, fruit trees, wildlife. Book and magazine stall. Parking available.

10 The Shambles (Pat Twyman) Beautiful mature garden allowed to go free range. Many lovely trees, shrubs and exuberant perennials.

11 Trinity Cottage (Stephen Kindred) Mature garden designed for visual impact with sculptural items, topiary, statement plants, evergreen archways and climbing plants including wisteria and roses. Potager with raised beds, herbaceous borders.

12 Herne Hill (Oliver & Jo Wareham) Elevated garden affording views of the village. Large sweeping border to the front slopes up to the lawn which is mown by a well-trained robot. Small rose garden with patio, glass-houses, vegetable garden and fruit cage. On foot, take the newly modified public footpath leading to the driveway or, if driving, park at the front of the house.
